Children's Book Harvest

CWC Sacramento Branch is raking in the harvest this year to bring a special gift to the children in the Sacramento area. As writers, we know the greatest gift anyone could give is the joy of reading. Whether a picture-book or traditional rendering, what a warm and fuzzy feeling only a book can bring.

We have selected UC Davis Children's Hospital to receive this year's gift. We are asking for your help by donating new and gently used books for preschool through middle-school aged children.

Bring your Children's Book Donations to any of these Upcoming Events:

November 6, 2015: Writers Network -- IHOP, Rancho Cordova

November 13, 2015: Open Mic -- Barnes & Noble, Citrus Heights

November 14, 2015: Local Author Event -- Folsom Public Library, Folsom

November 21, 2015: Luncheon Meeting -- Cattlemens, Rancho Cordova
